Tuesday 6th October 2026

Dear Parents,

On **Tuesday October 20th** we are celebrating **Our Heritage** in Stewart Headlam and Hague through Heritage day.

This is a day for children to learn about their own heritage or culture and to be proud of it.

- **Wear something that represents your heritage.**
 - Clothes from a country closely connected to your family heritage
 - Colours linked to a country's flag linked with your family.
 - Clothes that represent something from your family history.
- **Bring an object or image** which represents something about your family's heritage and come prepared to talk about it.

You could talk about

- the place that you or members of your family / past family come from.
- key historical events that someone in your family lived through or was involved in.
- long journeys made by members of your eg moving to new countries.
- someone important to you from your family - why are they special, what memories have they told you about from their lives?

We hope this is a chance for families to talk together and for children to learn both:

History: how parent's or grandparent's lives were different to theirs.

Geography: about places and journeys around the world.

We look forward to this exciting celebration in school. This day is a chance for us to recognise **article 30**: The right to your own culture and language.

Alison Goodliffe
Head of School at Hague

Nilufar Chowdhury
Head of School at Stewart Headlam
