Thursday 5th November 2026

Dear Parents / Carers,

Following our very successful Ofsted inspection, we are planning a "Hague is Strong" celebration day on **Monday the 9th November.** Meeting this high standard in every category is really special and recognises all of the hard work of staff and pupils alike.

Hague's judgements

Area inspected	Judgement
Safeguarding	Met
Inclusion	Strong standard
Curriculum and teaching	Strong standard
Achievement	Strong standard
Attendance and behaviour	Strong standard
Personal development and wellbeing	Strong standard
Early years	Strong standard
Leadership and governance	Strong standard

Activities:

- **Wear something green**. The Strong Standard is represented by a dark green logo. Children can wear their own clothes to school as long as they find something green to wear - it could be a T-shirt, dress, jumper, hair band, badge, it's up to you! (Yr2 still need PE kits and everyone must wear safe shoes.)
- **Strut along the green carpet when you arrive in school.** The whole school community contributed to this outcome so all children, families and staff should all walk proudly along the green carpet like the superstars they are.
- **Use the photo booths in the playground to take photos of your family.** A series of photo frames and banners will be available at the start and end of the day and on parent's evenings to use for your own photo memento. If you want to share any of these with us please email them to the admin team.
- **Whole school aerial photo.** We are hoping the weather will allow us to take an aerial photo of the whole school celebrating.
- **Green lunch.** The hall will be decorated with green table cloths and balloons to make our lunch extra special.
- **Special class celebrations:** Children will be icing and decorating their own sweet, green treat.

We are looking forward to celebrating together.

Alison Goodliffe

Head of School
